Cat and Doobie

Dear Supporters and Friends,

In this season of sharing and thanks we would like to take a few moments to express our appreciation to all those that have made it possible for Neigh Savers to Rehabilitate-Retrain-Rehome our horses this year. As we move into 2010 we would like to take the focus off the word "Rescue" and exchange it for the 3 R's. In addition our mantra is "Creating New Beginnings for Retired Thoroughbreds" and often times we work as partners with those we are "rescuing" from. Ergo, we are not rescuing many times, but partnering instead to allow these horses a future off track instead of a sad ride to Canada or Mexico.

We founded Neigh Savers almost three years ago when our nation was just starting a downward slide into a deep recession. Almost everyone we know and that you know has been affected by this. Even so, compassionate and generous fosters, donors who gave what they could in difficult times, committed and selfless volunteers and finally new friends that stepped up and adopted an off track thoroughbred and took the horse into their lives, family and hearts. To all of these people that allowed us to impact the future of over 30 horses this year we give our deepest thanks!

And because of you and only because of you we able to continue this work. We hope you will continue to stay with us and that can count on your support into 2010 and beyond.

Wishing you all a happy, joyous and safe holiday season. YOU HAVE MADE A DIFFERENCE AND IT IS DEEPLY AND SINCERELY APPRECIATED.

Merry Christmas and Happy New Year from your devoted team at Neigh Savers!
