Featured Horses – Gasin the Turbo and Sacramento Queen (Bella) Rescued!

Thanks to the generosity and compassion of Neigh Savers' supporters we were able to save two horses last month. Gasin the Turbo had broken his ankle and needs a lengthy rehabilitation period. His board bill hadn't been paid in months and there was talk of euthanizing him. Sacramento Queen's (Bella) owner was frantic having no money to pay for board or other expenses. She had lost her job and had gone through her savings and had no place to turn. Both horses are now safe at the beautiful spacious facility of Helen at Paddington Station in Mendocino County. Helen has 75 acres of rolling hills property and all of her pastures are irrigated year round. More in a later issue, but Helen holds riding camps in the summer. They are quite comprehensive and campers come for 7 nights. Many don't want to leave when the week is over! In a later issue we will detail the camps, costs and dates. Please help us support this wonderful endeavor. All the profits Helen makes from these camps go straight back into the horses.

Facebook Now Online

Our Facebook page is now online. Please join as a FAN. We already have over 175 supporters! Neigh Saver volunteer Treena Hall is the administrator. Treena adopted our Raise Your Wings (Gracie) and quickly became a fixture around Kimberlee Farms in Somis, CA. You can contact Treena at treena@neighsavers.com if you have any questions about joining Facebook. Facebook allows you to share information about your rescue, pictures and keeps you dialed in to all the latest news and activities. Last week I had the opportunity to visit with Treena, Nicole, Kim, Terri, Maya and Mike and again see for myself all the wonderful work going on at Kimberlee Farms.

Ymustichasethecat Moved to Clayton, CA

Cat has been moved to Clayton and is at the private facility of Craig and Colette Geibel. As you can see, Cat is very happy in his new environment. We wanted to start his training as a hunter-jumper for he is perfectly conformed to be a show horse but now he's got a bruised foot so will have to postpone until he is ready. Colette is a travel consultant booking cruises and tours. We may have an opportunity to put together a Neigh Savers cruise. Cruise lines will rebate a small portion of the cabin fee as a donation to the qualified nonprofit. We can also build a cruise around our cause and incorporate a few horsey activities. Please let us know if this might be of interest.

2009 Breeders' Cup Recap

We would like to congratulate Breeders' Cup Classic 2009 Winner "ZENYATTA" on her historic victory! Neigh Savers Founder Karin and Director Ingrid were on hand to witness history as she beat a full field of males in front of over 58,000 screaming fans. It was the most exciting and best day of racing we had ever experienced. For the second consecutive year there were no injuries during the Breeders' Cup held at Santa Anita in Arcadia, CA on November 6-7, 2009.

Our friend and supporter Ritchie Robershaw who manages Coast Racing conducted his annual Breeders' Cup betting challenge. It was just for fun and the winner gets bragging rights until Breeders' Cup 2010 rolls around. Ritchie also donated \$50 in the winner's name to Neigh Savers. Congrats to Pauline for betting on filly Tapitsfly and grand mare Zenyatta to win. Read the entire article and see some fab photos from the entire weekend at [Coast Racing](#).

Lastly, check out new horses available for adoption, Summer, Bad Medicine, Clever Coxswain and Duke under the Available for Adoption tab at www.neighsavers.com

Have a safe and wonderful Thanksgiving holiday. Don't forget Neigh Savers when shopping for holiday gifts. Many people may enjoy a donation made in their name and the horses would like a little extra in their Christmas stockings. **For a donation of \$25.00 or up you will also receive a convenient recyclable Neigh Savers logo grocery bag. Limited offer from now to December 15th only.**

Best regards,

Karin Wagner, CEO & Founder and the team!
